

Enclosed is Information on the Businesses we discussed. Please feel free to drive by and even shop there as a customer. Remember, you signed a confidentiality / non disclosure form that forbids you from talking with the owners or other employees of the company.

After reviewing the information and even driving by the business, develop written questions that can be faxed to me. I will get them answered for you.

When we answer these written questions and you are almost ready to make an offer, we will schedule a meeting with the owner.

Feel free to call me on my cell 954-675-0735 to get more information or to set up a meeting with the owner.

****** Please do not talk to any employees.**

Sincerely,
